## ABOUT THE NATIONAL CAPITAL AREA SEMINAR

The Federal Center, Harbour Lights and NOVA Chapters of the NPMA have decided to combine forces in 2010 to put on one large and very exciting two-day seminar. This event will focus on Government Property from both the government and contractor perspectives.

We anticipate the seminar to draw close to 200 participants from D.C., Northern Virginia and Maryland. The exhibitors and sponsors are a key component of the seminar, allowing our participants to learn more about the services you offer while providing you with an opportunity to learn about the needs of the property community.
